

## 1<sup>st</sup> Grade Learning Choice Board: Week of 4/20

	<b>Choice 1</b>	<b>Choice 2</b>	<b>Choice 3</b>	<b>Choice 4</b>	<b>Choice 5</b>
<b>Reading</b> Please read each night for at least 15-20 minutes.	First, listen to a story on <a href="#">Raz-Kids</a> , then reread the story out loud. Finally take the quiz!  Your teacher's username is posted under online resources.	Complete a day of reading and activities on <a href="#">Scholastic.com</a> .	Watch a story on <a href="#">Storyline Online</a> then play the comprehension game " <a href="#">Roll and Retell</a> ".	Read a book and retell the story to someone including the beginning, middle, and end. Don't forget to include details in your retelling.	Line up your stuffed animals to be your audience and read a book to them! 😊

<b>Writing</b> Make sure every sentence starts with a capital letter, you have finger spaces between your words and include ending punctuation.	Pick somebody who lives with you and write down 3 reasons why you love them. Then give them the list with a big hug!	Would you rather climb a tree or jump in a puddle? Why?	Write a story about something you and your family have done since you have been home. Try to focus on a small moment in time and add lots of details!	Using the story you wrote in choice 3, have a parent help you edit it. Then, rewrite your story in your best handwriting. Don't forget to add a detailed picture to match!	Write the names of your family members in ABC order. Don't forget to include your pets!
<b>Math</b>	<a href="#">Math Card Games</a> : Choose 2 games to practice making 10 with an adult.	Practice math on <a href="#">Dreambox</a> .  Your class code is posted on your teacher's page under resources.	Draw a robot using only circles, squares, triangles, and rectangles. When you are finished, write how many of each shape you used. You can do it online <a href="#">here</a> !	<a href="#">Math Card Games</a> : Choose 2 new games to practice making 10 with an adult.	<a href="#">Practice skip counting to 120 by 10s</a> (YouTube: Skip Count to 120 by 10's- Jack Hartman).
<b>Science/Social Studies</b>	Read the article Oceans on <a href="#">PebbleGo</a> ! Type "Oceans" into the search bar to access it. Username: signal Password: pandas	Bake or cook with a family member and identify the different physical properties you see (color, texture, odor, etc.). Take a picture and share it with us.	Watch this <a href="#">US Symbols video</a> on BrainPOP Jr. and take one of the quizzes!	Play a game with a family member and talk about why the game has rules. Practice good sportsmanship.	Let's review the states of matter! Watch this <a href="#">Bill Nye Video</a> and if you can, try to do the experiment at home <b>with adult supervision</b> .
