

1st Grade Learning Choice Board: Week of 5/4

	Choice 1	Choice 2	Choice 3	Choice 4	Choice 5
<p style="text-align: center;">Reading</p> <p>Please read each night for at least 15-20 minutes.</p>	<p>First, listen to a story on Raz-Kids, then reread the story out loud. Finally take the quiz!</p> <p>Your teacher's username is posted under online resources.</p>	<p>Go to Lalilo to strengthen your phonics skills (you can do this daily for 20 minutes). Our School Code is YMUNTM. Then find teacher, then your name!</p>	<p>Choose any non-fiction book from Capstone.</p> <p>Write the title of the book you read and write 2-3 facts that you learned on this paper!</p>	<p>Watch a Carla's Sandwich on Storyline Online. Then play the comprehension game "Roll and Retell".</p>	<p>Complete a different day of reading and activities on Scholastic.com.</p>
<p>Links to Other Resources: Reading Specialist School Counselors Gifted EL(Machin) LD (Ms. Garwood)</p>					
<p style="text-align: center;">Writing</p> <p>Make sure every sentence starts with a capital letter, you have finger spaces between your words and include ending punctuation.</p>	<p>Read or listen to this Nonfiction book called A Tadpole Grows Up Write what you have learned. How does a tadpole grow up? Use these words and the Life Cycle Picture to help: First, Next, Then, Last, tadpole, egg, leg, frog, tail</p>	<p>Narrative writing: What do you miss most about Signal Hill? Write at least 4 sentences.</p>	<p>First, watch this video about syllables to refresh your brain! Then, write as many words as you can think of that have 3 <i>syllables</i>. Remember to tap it out!</p>	<p>Practice writing some of your sight words outside using sidewalk chalk or use a sponge and water!</p>	<p>Would you rather have a unicorn or a dragon for a pet? Why? Write at least 3 complete sentences.</p>
<p style="text-align: center;">Math</p>	<p>Play Coin Identification Bingo at home with a family member.</p>	<p>Practice math on Dreambox for 20 minutes at your assigned level.</p> <p>Your class code is posted on your teacher's page under resources.</p>	<p>A fun way to practice Adding Combinations to 10: Play the Flip Ten Card Game! The winner is the player who made the most combinations of 10!</p>	<p>Measure Around the Room: use non-standard forms of measurement (cubes, paper clips) to measure the length of 5 items in your house. Estimate the length, measure, and record the data.</p>	<p>What is the missing number? Grab a piece of paper and pencil and practice finding the missing addends like we did at school using this Toy Theater link.</p>
<p style="text-align: center;">Science/Social Studies</p>	<p>Pick two habitats to learn about on PebbleGo! How are they similar? How are they different? What kinds of animals live in them? Username: signal Password: pandas</p>	<p>Pick your favorite habitat and create a diorama! Don't forget to include shelter, water, air and food for your animals! Send your teacher a picture of the finished product!</p>	<p>What is a habitat? What are the four key elements a habitat must have for the animals or plants for living in it? Watch this video to find out!</p>	<p>What does it mean to be kind? What does it mean to be helpful? Take part in a helpful act for a loved one or a friend. This will definitely make them smile!</p>	<p>Interview an older family member about how daily life is different now than it was when they were a child. Would you like to live in the past or the present? Why?</p>
<p style="text-align: center;">Encore</p>	<p>Art Mrs. Brabant</p>	<p>Library Ms. Stavros and Mrs. Raiti</p>	<p>P.E Ms. Tackett and Mrs. Romack</p>	<p>Music Ms. Ralph</p>	<p>French Madame Ballve</p>
