

## 1<sup>st</sup> Grade Learning Choice Board: Week of 6/1

	<b>Choice 1</b>	<b>Choice 2</b>	<b>Choice 3</b>	<b>Choice 4</b>	<b>Choice 5</b>
<b>Reading</b> Please read each night for at least 15-20 minutes.	Listen to the story <a href="#">Alexander and the Terrible, No Good, Very Bad Day</a> . Have you ever had a bad day before? Make a text to self connection and record it on <a href="#">this graphic organizer</a> .	Play the <a href="#">Roll and Read Dice Game</a> to practice reading CVCe words.	Write as many words as you can in the -ing family (sing, king, swing...)	Listen to a story on <a href="#">Raz-Kids</a> , and then reread the story out loud. Finally, take the comprehension quiz! Your teacher's username is posted under online resources.	Go to <a href="#">Lalilo</a> to strengthen your phonics skills (you can do this daily for 20 minutes). Our School Code is YMUNTM. Then find your teacher, then your name!

<b>Writing</b> Make sure every sentence starts with a capital letter, you have finger spaces between your words and include ending punctuation.	<b><a href="#">Kind Chirps!</a></b> *Download document above In a complete sentence, share a kind thought about your teacher and email it to her. She might share it on zoom! Remember your name and your teacher's name!	<b><a href="#">That's My Opinion!</a></b> *Download document above <b>How do you feel about ice cream? Do you like it? Why?</b>  <b>Your topic is ice cream:</b> I like ice cream <b>OR</b> I do not like ice cream. Write 2-3 sentences explaining your reasons!	<b><a href="#">Be the Teacher</a></b> *Download document above You are the expert! Choose something you can do all by yourself! Can you make a sandwich, wash your pet, wash the dishes, clean your room, build a plane with Legos? Teach in 3 to 5 steps how to!	<b><a href="#">Comic Strip Relief</a></b> Now is your chance to illustrate and write about something silly! You are the main character. Draw and use "talking bubbles" in four windows about something silly. Maybe a knock-knock joke, or any joke, maybe you are doing school work, or perhaps you are taking care of your brother, sister or pet!	<b><a href="#">Kind Chirps!</a></b> *Download document In a complete sentence, share a kind thought about your table mate at school and email it to your teacher. She might share it on zoom! Remember to write your name and <b>your tablemate's</b> name!
<b>Math</b> <b>Use this <a href="#">IXL Direct link:</a></b> →Enter your child's student number for both the <b>username</b> and <b>password</b> . →Then, click on <a href="#">Math</a> →Scroll down to " <b>First Grade</b> "	Watch this video on <a href="#">Missing Addends: Finding A Missing Part</a> and stop the video at the 2nd story problem. Try to solve it before the narrator gives you the answer. Watch the remainder of the video to see if you solved the problem correctly.	Head over to <a href="#">ToyTheater.com</a> and play <a href="#">Subtraction Sumo</a> . Try your best to answer the subtraction problems quickly. How many levels can you get to?!	Solve the <a href="#">2 story problems</a> by writing the equation and showing your work using one of the missing addend strategies (ex: 10 frames, number lines, Rikrak, or drawing).	For 15 minutes on <a href="#">IXL</a> , practice <a href="#">telling time</a> through a variety of activities. Try matching the analog time to a digital time and complete some time word problems. Then, create your own time challenge for a family member.	With a partner, play <a href="#">Race to 100</a> . You need two or three dice. Add the numbers together and color the spaces. The first person to 100 wins!
<b>Science/Social Studies</b>	Watch, <a href="#">Swings, Slides, and Science</a> . Then, find 10 small things in your house that need a push or a pull to make them work. Ask a family member to guess which force it needs to move.	Watch this <a href="#">animal habitat video</a> . Then, play <a href="#">Jungle Rangers</a> on PBSKids.	Listen to the book, <a href="#">Sharks</a> . Then, choose and print out one of the <a href="#">fill in the blank pages</a> about sharks.	Take a virtual field trip to the <a href="#">Statue of Liberty</a> in this video. Then, with a family member, read the <a href="#">slides about The Statue of Liberty</a> . Finally, you can print out the <a href="#">Statue of Liberty. color, cut, and stand her up!</a>	Learn about the <a href="#">United States Flag</a> in this video: Then, print out the <a href="#">Fact/Opinion Flag worksheet</a> . Cut and glue to match!
<b>Encore</b>	<b><a href="#">Art</a></b> Mrs. Brabant	<b><a href="#">Library</a></b> Ms. Stavros & Mrs. Raiti	<b><a href="#">P.E</a></b> Ms. Tackett and Mrs. Romack	<b><a href="#">Music</a></b> Ms. Ralph	<b><a href="#">French</a></b> Madame Ballve
